We have a monthly meeting for pedi and gel nails done. The pedicure is always terrific with Hayley. She is friendly, professional, and... Lisa is punctual. Jason, is one of the specialist/owner who makes a gel manicure. The last four meetings we've had, he's about 20 minutes late. Times. and we always have a meeting scheduled. On top of the lateness, gel set it he was not consistently done, and the thumb of nail polish was fully lifted. It has been very disappointing the last few visits. Each appointment we spend more than \$100.00 and will expect more professionalism, especially from one of the owners and punctuality. The atmosphere is amazing and we love the covid-19 precautions they take, but if we have a permanent monthly reception we don't have to wait 20 minutes for you to arrive for our destination.
